DMFV

FLIEGEN AUS LEIDENSCHAFT

An Introduction…

EMFU 10. General Meeting

24/25th May 2025, Almuñecar, Spain

DMFV in Numbers

DMFV
FLIEGEN AUS LEIDENSCHAFT

- Currently around 100,000 members (21,000 extraordinary members)
- 1,350 Clubs all over Germany
- 60+ voluntary and 10 full-time staff in the head office
- Executive Board consists of 5 voluntary members

Organizational Structures

DMFV
FLIEGEN AUS LEIDENSCHAFT

- DMFV Head Office in Bonn
  - Sports Advisory Board for the organization of competition
    - Members' Advisory Board for the regional support clubs and members
    - In-house legal advisor specialized in aviation and association law provides free legal support in court cases involving clubs or members
  - Expert departments for assessments, power lines and wind turbines, and nature conservation
- DMFV Academy offering webinars on a wide range of topics

Political and Regulatory Engagement

DMFV
FLIEGEN AUS LEIDENSCHAFT

Commissioned by the Federal Ministry of Transport to approve large model aircraft between 25 kg and 150 kg

flyDMFV app developed in cooperation with Droniq: visualizes model aircraft operations, includes an electronic flight log, airfield overview, and digital documents

LUVD
Luftsportverband Deutschland

Cooperation with other airsports associations through the umbrella organization LUVD (approx. 160,000 members), e.g. airspace planning in the AUL-L (Lower Airspace Committee) and the Flightsport Incident Database (FIDA)

FIDA
FLIGHT SPORT INCIDENT DATABASE

Strong political advocacy in Berlin, e.g. Parliamentary Evening in cooperation with the Aerospace Parliamentary Group of the German Bundestag and the German Aerospace Forum

Operational Authorization under EU Regulation 2019/947

DMFV
FLIEGEN AUS LEIDENSCHAFT

- Simplified authorization under Article 16(2)(a) – available to all DMFV clubs and members
- Model airfields legally entitled to approval
- No altitude limits in uncontrolled airspace (Class G)
- Restricted zones (e.g. airports, nature reserves, railways, federal roads, waterways) require specific permission
- Flights in control zones possible with DFS coordination/approval
- e-ID registration via DMFV for only €5
- Proof of Knowledge from 2 kg or 120 m – available in German, English and French

EMFU and DMFV – stronger together

DMFV
FLIEGEN AUS LEIDENSCHAFT

We want to extend our successful cooperation by joining EMFU as a member

and so…

Strengthen EMFU by significantly enlarging the number of represented pilots and adding the competence and power of our organization!

Our Delegates

Torsten Lehmann
